

PHIL MARKHAM
EMPLOYEE OF THE MONTH
JULY 2008

We would like to nominate Phil Markham as employee of the month. Phil came to West Valley City from Murray City a little over a year ago. He assumed the Operations Manager position. Since Phil has joined our department, he has had an open door policy and has managed to boost the department morale 100%.

Phil has brought the Fleet and Operations Divisions together to work as a great team. Phil stands behind us and backs our Department.

Over the past year, Phil has made many building improvements with newly painted offices, bathrooms, and new floors in our facility. There is now a television in the break room. He has updated our uniforms and promotes our luncheons/potlucks with an open door policy for other departments to join and really has a knack for bringing the groups together.

Phil always treats everyone as an equal and doesn't micro manage. We've really enjoyed working with him over the past year and look forward to working and supporting him in the future.
